

GLI INTRUGLI DELLA STREGA

Occhi di coniglio,
un pizzico di aglio, bava di
capodoglio,

aggiungete due
artigli di agrifoglio e otterrete
un gran miscuglio.

A LEGO minifigure scene set on a green baseplate against a blue background. In the background, there is a small wooden structure with a black bat on top. In the foreground, three minifigures are present: a witch with a yellow face, a red devil with horns and wings, and a vampire with a black face and cape. A red broomstick is leaning against the witch. A white speech bubble with a jagged edge is positioned in the upper right.

Se per sbaglio lo
rovesciate su di un cespuglio,
diventa duro come uno scoglio.

The same LEGO minifigure scene as above, but with a white skeleton minifigure in the foreground. The skeleton is holding a white bone. To the right of the skeleton is a red bowl filled with yellow candy. A small black skull icon with white eyes is floating in the air to the left of the witch. A white speech bubble with a jagged edge is positioned in the upper right.

Che disastro, che
guazzabuglio può creare
questo intruglio!
